PROJECTS

EcoPlate | Final Year Project | April 2026 – February 2027

- Developed a mobile application connecting food donors with recipients to redistribute surplus food
- Key features: geolocation, reservation, listings
- Reduces food waste and helps people in need
- Android Studio, Flutter, Dart

Domino's Pizza Mobile App IA Redesign | Information Architecture (Group Project) | 2026

- Redesigned the Domino's Pizza app's information architecture in a 4-member team
- Designed advanced search and promotion comparison features with flowcharts and wireframes
- Ran a System Usability Scale (SUS) test with 10 users; 90% rated the Compare Offers feature 4 or 5 out of 5

Photography Studio Booking System | Web Technology and Application (Group Project) | 2026

- Developed a booking system in a 5-member team using PHP, MySQL, Bootstrap and JavaScript
- Built customer booking and status tracking features, plus an admin dashboard for approvals, schedules and reports
- Designed wireframes and an ERD, then deployed and tested the system on a local XAMPP server

FitTrack Personal Exercise Tracker | Web Technology and Application (Individual Project) | 2026

- Built a responsive fitness tracking web app with full CRUD using PHP, MySQL, Bootstrap 5 and JavaScript
- Added password encryption, session-based access control, search and filtering, and a progress dashboard

D'Wana Spa E-Commerce Web Application | Enterprise Programming | 2025

- Built a booking system using Java, HTML and CSS

WORK EXPERIENCE

Food/Item Rider | Lalamove, Kuala Lumpur | Part-time

- Completed time-sensitive food and parcel deliveries across Kuala Lumpur

Seller | Teh Ais Pyorr | Part-time

- Served customers and handled transactions in a fast-paced stall

CERTIFICATIONS & ACHIEVEMENTS

- Kuala Lumpur International Invention Innovation Symposium (KL3IS): *Limited Focus* | Silver | 2025
- Premier Digital Tech Institution Collaboration Teaching: Python Programming | Politeknik Balik Pulau | 2025

LEADERSHIP & ACTIVITIES

- Programme Committee, SULAM programme | 2026 — Awareness program for kindergarten
